

To become an approved carrier for Freight Lanes Int'l Inc., the following documents are needed:

1. Copy of the carrier's Federal Operating Authority. This will be a certificate or permit for contract or common carrier authority showing the carrier's MC number and legal company name. If the carrier has re-entitled, Freight Lanes will need both the original and re-entitlement authorities.
2. Copy of current insurance certificate. Freight Lanes Int'l will need a copy of the carrier's current insurance certificate with the following requirements:

Minimum \$100,000 cargo and \$1,000,000 auto liability coverage. The carrier's company name (must match the name on the Federal Motor Carrier Operating Authority) and current address must also be on the certificate. Freight Lanes Int'l must be listed on the certificate as the "Certificate Holder."
3. Please provide Freight Lanes Int'l with your organizations name, address, fax, phone numbers, and tax id, or social security number.
4. Once Freight Lanes Int'l has received the above information and performed a carrier background review, after returning the signed contract a carrier id will be issued. Please write your carrier id number on all future correspondence.

The above information can be faxed or mailed to:
